Boxpack

Boxpack
Jewelry packaging

**For three decades, Boxpack has been manufacturing luxury boxes, cardboard boxes, bags and displays specially designed for the jewelry, watch and costume jewelry sector.**

We offer a very wide, complete and up-to-date catalog of products that follows the latest market trends. We customize our items with our customers' brand, using hot-foil stamping and the most suitable machines for each product.

Every day we work to meet our customers' needs, which are at the heart of our business model: one that brings together design, advice, manufacturing, distribution and sales, shaping your ideas to create the packaging your jewelry deserves.

All our departments (production, design, sales, marketing, etc.) and the company as a whole strive year after year to improve the processes and techniques of each department, in order to offer our customers better service and higher-quality products, and to remain worthy of their trust and appreciation.

**The BOXPACK team.**

We are at your disposal for any advice you may need and will be happy to help:

# Customize your packaging

**Make our collections your own.**

1

## Choose "New logo":

On the product page, choose the "**New logo**" option. You pay for it only once (€30 + VAT) and it covers all your products and future orders. You only pay again if the design changes.

2

## Choose one of our collections or products:

Collection name.

Click here to place your order on our website.

## 3

### Choose a color from our options:

Please note that not all colors can be printed on all materials, and the same color printed on different materials may look different.

Here is a sample of some of the colors.

## 4

### Upload your logo:

Upload it on the same product page (PNG, JPG or SVG) and save the design. Before printing, we will email you a proof. Questions?

**Proud to be part of the solution, we are renewing our commitment to the #PymesAmigas program of @unicef_es.**

As an SME, we will continue to be part of the tireless work for children's rights, promoting opportunities for a better life for thousands of girls and boys.

Together, our contribution goes further: every year it becomes vaccines, nutrition, education or access to water, or helps us protect children in emergencies and crises.

**To learn about the program and join us in building a better world: https://lnkd.in/gszqf8Y**

Some items will be supplied unbranded for technical reasons. Prices valid until December 31, 2026, barring typographical errors. Taxes not included in the prices.

Boxpack is committed to the environment and to the supply chain through FSC (Forest Stewardship Council) certification.

Our FSC-certified products are made exclusively from materials from responsible, sustainable sources. This certification guarantees that the wood used to make our certified products comes from responsibly managed forests, where the conservation of biodiversity, workers' rights and local communities are promoted.

By buying our FSC-certified products, you not only get quality products but also help protect and conserve forests.
